FRIENDSHIP IS BETTER THAN LOVE

Let's debate. Argomentazioni:

"Affermazione, Ragionamento, Prove, e Conclusione"

"Affermazione" <i>Dire con una frase chiaramente la propria posizione +Enucleazione dei punti da discutere. (es. "Noi pensiamo che..... Il nostro primo punto è.....")</i>	Friendship is better than love 1- it will last forever 2- a friend is always by your side 3- great fun with friends Love is better than friendship 1- it is a unique bond between two people 2- it can lead to a "family"
"Ragionamento" <i>Spiegazione circa la validità delle proprie argomentazioni (perchè è rilevante, perché è giusto, perché è vero)</i>	A true friend doesn't expect anything from you Love involves the whole of yourself
"Prove" <i>Cita 1-2 esempi, dati oggettivi a supporto delle tue affermazioni (esempio, dati statistici, opinioni di esperti)</i>	"Love is a marriage of two minds" (W. Shakespeare)
"Conclusione" <i>Riassunto dei punti illustrati in relazione all'argomento assegnato</i>	Friendship is better than love because it is based of freedom with no limits Love is better than friendship because you can ha a lot of friends but only one true love

Controargomentazioni

Quattro fasi

<p>“Loro dicono . . .”</p> <ul style="list-style-type: none">• <i>Riformulare l’argomentazione degli avversari</i>	<p>Friendship lasts forever because friends are always by your side and you can have great fun with them</p> <p>Love is better than friendship because it is a unique bond between two people, so strong that it can lead to the creation of a “family”</p>
<p>“Ma noi non siamo d’accordo . . .”</p> <ul style="list-style-type: none">• <i>Affermare il proprio punto di vista</i>	<p>Love is better than friendship because you can have a lot of friends but only one true love</p> <p>Friendship is better than love because it is based on freedom, with no limits</p>
<p>“Perchè . . .”</p> <ul style="list-style-type: none">• <i>Dare prove per supportare la controargomentazione</i> <p>Cita 1-2 esempi, dati oggettivi a supporto delle tue affermazioni (esempio, dati statistici, opinioni di esperti)</p>	<p>“Love is a marriage of two minds” (W. Shakespeare)</p> <p>“Friendship may, and often does, grow into love, but love never subsides into friendship” (Lord Byron)</p>
<p>“Quindi . . .”</p> <ul style="list-style-type: none">• <i>Confronta la tua argomentazione a quella degli avversari</i>• <i>Mostra che i tuoi argomenti sono migliori</i>	<p>Love is better than friendship because it is a complete feelings involving the whole of yourself.</p> <p>Friendship is better than love because a friend is always by your side, never expecting anything from you.</p>
